## **Association of North Carolina Health and Science Libraries**

The Association of North Carolina Health and Science Libraries was organized to promote excellence in health sciences information services. The organization fosters resource sharing, information exchange, continuing education and the professional development of the membership. ANCHASL provides a forum for networking and the exchange of ideas. ANCHASL serves as a liaison to organizations that seek input from ANCHASL members. Membership is open to individuals from all levels of professional practice.

For more information on ANCHASL please  
visit our Website at: <http://www.anchasl.org>

University of Maryland  
Baltimore, MD 21201

=====

***Course Description***

**The Ropes: Planning Instruction for the Adult Learner**

**Course Description:** The course will begin building the fundamentals of developing an adult education course. “This 4-hour train-the-trainer course covers the process of building a user-centered training session, covering needs assessment, learning styles, working with and from participant objectives, and evaluation of outcomes. Students will participate in several group exercises where they will explore different training situations. Emphasis will be placed upon user-centered development and the building of objectives by which the success of a class may be evaluated.”
