

2016 ANCHASL Fall Meeting and Continuing Education Course

Friday, October 21, 2016 - 9:00 am to 3:00 pm

Topic: Perspectives in Data Management

Instructors: Alisa Surkis and Kevin Read, Ehrman Medical Library, New York University School of Medicine

MLA CE Hours: 4

Location: William Rand Kenan, Jr. Library of Veterinary Medicine, NC State, Raleigh, NC

Course Description

This course will provide context on the research process and cover best practices in data management, issues around storage and preservation of data, the current climate around data sharing, and tools to assist researchers. The course will be a mix of lecture, a hands-on case study, and group exercises.
